Dear Mr. Rivera:

I am writing this letter regarding the vacant position as administrative assistant specialist after I saw the company's the advertisement in Indeed.com which was stated not so long ago. I have the level of experience which will help me in the job later on.

I have thorough knowledge regarding the area of administrative specialist. I can do many jobs at the same time without getting tired. The level of management that I have in doing the tasks, adjusting the time has no attachment involved and all of us together have been with each other. I am also able to organize the details on the mechanics too much.

I attached the resume paper and the recommendation letters of my paper along with this CV. I am looking forward to hearing from you so I could explain more about the competence and significance that I am capable of.

Sincerely,
(Signature)
Georgia Swanson
